Douglas County's 2018-2022 Strategic Plan was approved by the Board of County Commissioners in June of 2017. The Strategic Plan serves as a road map guiding the county. Participants will learn about the Strategic Plan, and provide feedback to the Douglas County Commission and staff regarding current areas of focus and initiatives for the next fiscal year. The Strategic Plan is a dynamic document that serves as a road map for how staff will implement the Board of County Commissioners' Vision, Mission and Objectives. Come learn about the plan and let us know which of these projects or activities are most important to you. The Strategic Plan can be found at www.douglascountynv.gov.
